“ I'm so sorry to hear of Ralph's passing. There aren't alot of us left around Winchester that grew up here in what we'd call the "good ole days" where we all knew each other, left our keys in our cars & our doors unlocked at night. Those are the kind of wholesome memories I have when I think of Ralph; 1960s-70s. There were many fun times when our families, along with the Earl Gulley family,spent time together boating on the great Ohio River, then actually swimming in it too! Ralph was a man of few words & he was also a kind man that was always nice to me. That is how I'll always remember him. I'll be keeping the Roades family in my thoughts & prayers during this most difficult time.
