“ Randy, my life long friend and bother. I'm sorry for not responding earlier but didn't know of this online stuff (shit) I know you understand where I'm coming from. I find myself thinking of our past we had together, I can't believe we even made it to adulthood!!! Our rides, our AIRBORNE jumps @ Fort Bragg, boat trips on the muddy Cape Fear River! I'm so thankful of you linking up with my daughter Christina and taking her under your AIRBORNE wing, and not only watching but helping her become one of the strongest woman I've ever known. We often sit and talk and laugh about our child hood till it sometimes hurts from laughing, but then as now I end crying like a baby missing you. I guess it's best the 3 of us never got to run together. I don't think the state of Ohio could've handled it!!! I'm sure heaven has a drop zone brother and one day I'll see you there! AIRBORNE, ALL THE WAY Bother love you. SFC Ret. Calvin E Smith
