“ *The times we spent together was truly life changing. This man got me through many hard times. He seen me at my lowest and never judged or made me feel unwelcome. He always accepted me and wanted better for me. I will miss our talks and how he always was there no matter the situation. I love you Rick and see ya again someday.* ”

“ *I always enjoyed my time spending with Rick. We loved to go and eat Chinese after shopping and arguing over what was on TV. Rick had a beautiful singing voice and shared it often. I will miss him dearly.* ”
