“ When I was 6, my dad (Robbie) took me to my first ever dance. They had a slow dance, we "danced". I danced as best as I could for 6. I finally realized I was never going to figure out how to dance so I asked him to pick me up and dance with me. He did, after a little convincing. I wrapped myself around him and held on tight. The theme of the dance was the 1960. I haven't been able to think of the dance without crying, The song was "Butterfly Kisses" by Bob Carlisle. That is my favorite memory of him.
