“ Our prayers are with your family at this time. I will never forget the first time I met your dad was when Dylan was in hospital. Your dad looked at my feet and said he just wanted to know if I had webbed feet because boys thought I could walk on water. After that alot of good memories. As always we send our love and prayers. “ So sorry to hear about Bob. He was a great friend to my deceased husband Tom. I can still see the smile on Tom's face when Bob came to visit him during his final days. Tom always talked about the fun times they had growing up together. They are now together again in heaven. Love and Prayers.
