“ *Oh Uncle Ronnie, I can't believe you're gone. I always took for granted you'd always be here with us. Since I was a little girl, you've made me laugh so hard I'd cry. Your sense of humor was definitely a Gabbard trait, shared by both your brothers and sisters and events passed down to the rest of us. My heart hurts so bad that you're gone but the knowledge that you're reunited with the love of your life, your parents, brothers and sisters is such a comfort to me. Knowing I will also be united with all of you one day is the only light that shines from your passing. I imagine Grandma ran to gather you up into her outstretched arms. And the rest patiently waiting their turn. What a glorious day, what a glorious reunion that must have been. My prayers are now with Duane, Laura, Brittany, Hannah and Sophia to find comforting peace in God's arms, knowing you'll all be together one day. I love you and miss you. RIP
