“ So sad to hear about Ruby passing. I worked with Ruby at Cincinnati Milacron for many years, we both worked in board assembly dept and later in service parts dept. I remember when Ruby retired. I've often thought about Ruby - she was so much fun and full of energy. Everyone who knew Ruby - knew that Ruby loved her children, as she often talked about them. Happy to have known you Ruby - rest in peace.

“ With sympathy to the Caster family. One way God comforts those who mourn is through his word, the Bible. 2 Corinthians 1:3, 4. Examining what the Bible teaches about the dead not knowing anything and the hope of the resurrection will bring comfort. Ecclesiastes 9:5, Acts 24:15.

“ Ruby, a precious gem and truly a gift from God. She impacted my life in a special way as a young adult as I believe she did with all that she met. At one point in our relationship many years had passed without contact, life in general, moving and circumstance but when we did talk again it was like the years had never passed between us. Ruby will remain in my heart forever. I believe in my heart also that she made a profession of faith and accepted Jesus Christ as her personal Lord and Saviour and is with God our Father and walking on the streets of gold today with Jesus every day from now throughout eternity. My sadness will soon fade and my joy will fully return knowing I will see her again when I join them in His kingdom.
