“ *Dear Charlie, Jim and Gloria: How do I say something about a loving, caring, kind, considerate, hard working person to their family when they know that person so well? I suppose as family we know all of that but we like to hear that someone else recognizes those traits too. Ruby and Roscoe were part of the auction gang and one thing sure, each person was for themselves but if anyone needed help the whole gang was ready willing and able to assist. Ruby was a blessing to all of us and we say thank you for sharing her with us. God shall provide you comfort and keep her memory forever in your heart. Blesss you all--Love from Skip and Kristen*
