“ With deepest gratitude, I remember the teacher, friend, roommate for a time in 2000 and beloved that Sapokniona was to me. She introduced me to Neil Dawson whom I later married, She introduced me to my deeper spirit life. I know Neil's spirit was there to welcome her when she left this earth. I know my life is richer and more deeply spiritual because of Grandmother's life. May her family rest in the knowledge that all her sacrifices made so very many people aware of the love of our Creator. She was magnificent. What a gift from God Sapokniona was and remains in the hearts of all who love her.
