“ I remember Sean's beautiful smile that lit up a room when he entered. I'm certain that he continued to emit that same brightly lit smile as a man as he did as a child. My heart broke on the day I received the sad news that he will never be able to see his beautiful babies again, nor anyone else that loved him. The absence of his physical being will probably take a long time to adjust to and you may never understand, but I hope that his smile and awesome memories will bring you joy when you're feeling sorrow. I pray that you will find comfort in your memories and take solace in knowing that Sean was loved. Blessings, Aunt Linda Fisher
