“ Dear McCane Family,
I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the promises found in the Bible at John 5:28, 29 and Revelation 21:4. These scriptures along with others show that in the very near future God is going to not only bring our loved ones back to life but he is going to eliminate all of the causes for why we deal with sorrow, pain and even death itself. It is my sincere hope that these promises bring your family comfort at this time. Once again I am so sorry for your loss.
