“ *Gary & boys: I just found out the sad news of Sue's passing & I'm so terribly sorry for your loss. I really enjoyed her company & talking with her years ago when we were neighbors. Those were the good ole days when we were all much younger. It's hard to believe that it's been nearly 30 years ago & our children were still young & at home. Time definitely flies by us, & then we're old. If you need anything, please let me know. I'm here for you all during this most difficult time. Many condolences, Angela*

“ I have so many great memories with Sue. Even though we hadn't seen each other for years, Sue was the best friend I've ever had in my life. We spent a lot of time together when our boys were young. Fishing and camping on creek banks, we went to Gatlinburg for a weekend, a trip to Little Nashville that didn't go as planned. I didn't reserve a motel room near there and there was a big sporting event that weekend so we had a hard time finding a room. We finally jumped on the freeway and stopped at every exit looking for a room. Most places were all booked up. Hours later we found a room many miles from where we started. I was exhausted and fell asleep, unintentionally, as soon as we settled in leaving Sue to party alone. She didn't let me forget that! We used to play uecher, girls against the guys, and Sue would cheat just to see if they would notice! So many memories. I'm grateful to have had her in my life and I loved her dearly. I'm heartbroken that I won't see her again. To Gary and the boys, we are so very sorry for your loss.
