“ Sorry for your loss
*Thelma was not just someone I took care of but a Dear Friend and she will be greatly missed !
In the short time I got to know her she made me feel like part of her family. From the porch stores of her beautiful flowers at the farm house she enjoyed sharing photos of her family and telling stories of each one of her children and grandchildren and son in-law that made her laugh. From vacations to new additions As well as Christmas open house at the farm to laughing over her favorite candy to helping her decorate with her beautiful Ceramics that she made and painted herself. Thelma you were a wonderful lady and a great friend. Love you and miss you 🌸💕💕*
