“ So very sad to hear of Theron's passing. He and Evelyn are some of my favorite folks. My favorite memory is of he and Evelyn hiking up to my neighbor's house and going in to look around, all the while thinking it was my house that was under construction. I had welcomed them to come and look around. I am sending so much Love and Prayers to the whole family.  
With My Deepest Sympathy,

“ Joe and I send our heartfelt sympathy to the entire family. Please know we are thinking of you all during this sad time. Joe recalled last night, after we heard the news, how much it meant to him that Phillip came to his mom's visitation so many years ago. We wish we could offer our condolences personally, but certainly want you to know you are in our thoughts. Also, to Valerie, my deepest sympathy to you and your family. Please share our concern with Evelyn. They were both such good friends of Mom and Bob's.

“ We will all miss Theron. He was a joy to be around. He was always ready to witness for our Lord. He and Evelyn were a comfort to both Pat and I. They came to visit her several times before she passed away. Pat has a note in her journal that tells how much she enjoyed seeing them.

*We will see him again.*
