“ I would like to send my sympathies to the family. I was a teacher at Pascack Hills with Tom and I respected him a great deal. He would have hall duty and always poke his head in my classroom to see how I was doing and joke with my students. Such a nice man and I missed him when he retired. You were very lucky to have him in your lives. God Bless!

“ I am deeply saddened to hear of the passing of my former colleague, Tom Conroy, We worked together at Pascack Hills HS in New Jersey for over 20 years. In fact, our classrooms were directly across the hall or diagonally across the hall in the same wing of the building. We often shared interesting conversations about the politics of the day. He enjoyed a good laugh and I always viewed him as one of the most dedicated professionals to teaching with whom I worked. May his memory be a blessing to his family and to all who knew him. Rest In Peace Walt Hampson
