“ *Troy was the kind of person to bring a light into any room he was in . He was always up for an adventure , always there for a friend , and the best daddy to his babies ! Troy made memories .. that's what he did everyone that ever met him has had a "best night of their life " that he was there for ?? . Over the last few days I've heard so many "Troy stories " I'm confident he will live on forever in the hearts , minds , and memories of so many . I'll nevwr forget your confidence singing along at the top of your lungs to the radio and making us all laugh and whenever the sun hits my face on a beautiful summer day , or I eat a slice of dairy bar pizza ?? I will think of you .. my best friend " 143 " Troy ??!*
