“ So sorry for your loss, it's a loss for your family and Warren's friends, he has done so much for the town. He helped me and my Peebles library family with our computers when we first started using computers. He was a very devoted person helping other people. Thank God for down to earth people like Warren.

“ *Warren will be missed more than mere words can describe. He was an amazing man who always had a smile on his face and never a cross word to say. His love and light will never dim because he spread it onward through his children, grandchildren and great grandchildren.*
