“ I have lost another great horse friend! Tim you will be missed a lot but I have a lot of good memories that I will never forget. Like the one time you had put caution tape around my horse and I was always used to dry the rain off of chairs and I will never forget that I got locked in the outhouse by Lee and you scared the heck out of me when you jumped out of the brush that night. We had good times out on the trails. It seems not real for you to be gone, but you are up in heaven riding Clyde with Lee and Harmon. We will all meet again someday on the trails. Good bye my friend! My deepest condolences to Laurie and the girls! I am so sorry this happened to you all! If you need anything please let me know!

I met Tim many years ago at Shawnee State Forest. He became someone I admired...for many different reasons....he always was working on the trails making them safe for everyone. If I had a horse question I'd ask him. One time we were out riding..it was a very large group of horses and ppl. We came upon a place on the trail that was dangerous....Tim got off his horse and walked it up that hill. He didn't try to act macho....he cared more about his horse and setting a safe example for all the riders. Most of the riders rode their horses up that hill anyway. I really admired his horsemanship. Tim talked about his family and how much he loved his wife. I actually got to watch him karaoke a love song to Laura...it was beautiful. May God's love surround Tim's family during this great time of sorrow. Tim you will be forever missed.

“ Although we didn't have many opportunities to connect over the past years, I was fortunate to visit with Tim in August. I'm grateful to have had even a brief reunion to see him. I have many childhood memories with all of the cousins having fun at Grandma and Grandad's.  
I'm sending love and prayers to Laura and the entire family, especially to Aunt Peggy, for such a painful loss after losing Uncle Judgie.

“ *I knew Tim from his years of dedicated work on our Bridle and Perimeter Trails here at East Fork State Park. There is not any one memory that stands out as much as the simple fact that Tim always had a way of lighting up the day for everyone he met and worked with here. He had a great sense of humor that helped anyone he was around to laugh and have a good day no matter what their mood or day was before he arrived.  
He is so very missed by us all here.  
I am so sorry for his Family having to lose him so soon.  
My prayers and thoughts continue to be with you.*

“ *I had the pleasure of knowing Tim as an employee of Day & Zimmermann as my QA/QC manager. From those long hours on the job together I found out that he was a great guy and loved his family. We talked alot of about his new hobby of fishing in the Keys and even discussed a trip in the fall. Tim will be missed on the job as well as around his community where he loved also. He has touch so many peoples lives in his short 55 years on earth and it all was very positive. Tim will be missed on the job as well as with his family but just remember in Ohio or Florida he is looking over us all and smiling.*
