“ We are so sorry to hear of Wil's passing. Please accept our deepest condolences. We worked along side him for many years as he graciously and generously took care of us his Canadian family at Lowe's. Both my husband and I had the pleasure of working with him and always appreciated his ability to find humour even in the most stressful of days! Although we moved on in different directions we often speak of Wil always remembering him fondly. He will be miss by so many who also share this kind of experience. He was a good man with a very big heart who left a lasting impression with all who knew him! May he Rest In Peace.
